

[CHAPTER EIGHT]

Healing

IT IS in the healing of one another that you shall see a shift in humanity. As you perceive healing to be only that of the physical, then barriers shall be put around you blocking the flow of energy. For indeed the healing that occurs in each of you is on many levels and all planes of consciousness. There may be a shift in consciousness and that is where the healing has occurred. Do not limit yourselves in your thinking but rather open up to
